**PARTIES
& EVENTS**

Etta is a little neighbourhood restaurant with a big heart.

Our style is more fun than formal. We like sharing plates, laughs and good music. We're about looking after people, whether for the night or the years to come.

If this sounds like the right fit for your next party or event, let's chat.

OUR SPACES

Good things come in small packages, just like our spaces.

Our Chef's Table is the place for parties of 7-10 keen on beautiful aromas and watching the kitchen team work their magic over the woodfire hearth.

For something a little quieter, The Greenhouse seats up to 14 in a lush, secluded oasis tucked away from the bustle of the dining room.

We can do something just for you, too. Keep going to find out more about exclusive hire.

ON THE MENU

We call our food ‘Melburnian’. It’s unique, just like our city.

The menu changes as often as our inspiration flows, but you can always count on it being fresh, seasonal, and featuring local heroes around Victoria.

HOW IT WORKS

Groups of 6+ will Leave It To Us. Think four courses and all the hits.

Dining out the back? The Greenhouse Menu is a touch more dressed up, with extra snacks on offer for pre-dinner mingling, too.

All drinks are billed as you go, so you can choose your own adventure from our 250-bottle list.

For larger events, we'll find your picks before the party begins. Our sommeliers are at your service.
